Crash Course

RE: Script Editor

Dear Hiring Manager,

I am writing to express my interest in your posted opening for a new Script Editor. It would be wonderful to apply my skills and abilities working for a company I am excited about.

I've benefited a lot from watching the Crash Course videos and using the flashcards. And I'm eager for the opportunity to learn from and contribute to your team.

I believe my focus, willingness to learn from my coworkers, attention to detail, and dependability will serve well to make me a valuable member of the Complexly crew.

I look forward to hearing from you. Thank you for your time and consideration.

Sincerely,

Troy Edwards

PS - I was very surprised when reading the "About" page, to discover John Green was THE John Green, my middle daughter's favorite writer. Please tell him a young NH lady, now living in FL, retreated into his books whenever the world seemed too much, and found her courage in his words. ...also, that Heavyweight episode. Damn
